A Place for Suggestions: Have a suggestion, idea, or insight about the life and business of our congregation? We've created a new space just for you! Check out "Bright Idea" on the church app—a simple way to share your thoughts and help shape our church community. Whether it's a new ministry idea, an improvement suggestion, or a creative way to serve, we welcome your input!

Also on the App: Another new section on the church app is the New testament Gospel Reading.

Thank You! Special Thanks to everyone who brought in the College Box goodies. We sent the packages out to our students this week. We also had enough extra to give a College student from Young Lives a box. The rest we separated into small bags and gave as snacks for next week's Young Lives group gatherings. They appreciated being thought of very much!

Happy Valentines Day!

Ministry Spotlight—Benevolence

The Wheeler Road Church of Christ Benevolence program is divided into two parts. Part one is food with Vicki Phillips in charge of that. Part two is everything else. Last year we had over 40 requests. It's the goal of the Benevolence committee to be able to help those in need either directly or by providing them with resource numbers they can contact to get assistance that we cannot provide. Some items people request assistance with include food, electric/gas, rent/housing, clothing, gasoline, car repairs, or other needs/bills. Members of the second part of the Benevolence committee include Sue and Darren Wells, Jim Forgie, Mary Chilton, Joe Chai, and Adam Davis. If you know of anyone in need see one of us or if you know of resources please forward those to Sue Wells the Committee Leader.

Special Thanks to our Benevolence Committee for all your efforts!
