In Our Thoughts & Prayers

We express our deepest sympathy to Dr. Kenny Hatcher and family in the loss of his brother-in-law Donnie Sudsberry.

Note of Thanks

It's with joy in my heart and the love of Christ for the FBC family that serves not only our members, but our community as well, that I say thank you. I am continually touched by the generosity that is extended to my dad and myself. We are at a loss for words for the kindness shown to us. Thanks to all who made building the ramp for my dad possible and special thanks to Stan Junkin for providing the labor. Having the ramp has taken a huge burden off of us. God has never not provided for our needs, not one single time, nor will He ever. Thanks for being a part of His work.

With much appreciation and love,
Phillip and Jimmy Berryhill

FBC News March 2025

FIRST Baptist CHURCH

Greetings FBC Guin Family,

As always, I pray you're doing well! I pray that God is blessing each of you richly.

I have been reminded recently of the goodness of God. It was not any one situation that reminded me of His goodness, but a general reminder overall.

You see, sometimes in life, God needs us to slow the earthly attractions down and enjoy the heavenly blessings. While we can say things of the earth don't matter, and thinking long term they don't, right now they do. So when we set our mind on a goal and then fail, it hurts, and the pain in the present is real. However, even in the failures God is good and is using the setbacks to teach us to think differently and prepare us for the future. In a society that says count your steps, count your money, count your awards, count your cars, and count your vacations, it is nice, as disciples of Christ, to just stop and count our blessings. My disappointments as a dad, my hurt as a pastor, and the times I've failed to be the man I'm supposed to be, the husband I should be, or the coach I desire to be, are all opportunities to learn and move forward for His glory. Remember, "God never wastes pain." He didn't waste it for Moses, Joseph, David, or Daniel, and He will not waste it for us. The question is, even in the hard times, will we count our blessings?

This spring, as the weather warms up and we all get outside a little more, take a minute to breathe in the fresh air, soak up the rays, and count your blessings!

As John the Apostle reminds us, Jesus was here to glorify the Father, and we should be as well!

Much love from your pastor! I'm praying for you and loving the opportunity to serve alongside you.

Love God, Love People, Serve the World,
Bro. Zane

A Fresh Start.

Spring is just around the corner; a time to let go of the old and embrace new beginnings.

As the choir continues to prepare for the upcoming celebration of the resurrection of Jesus Christ, there is no better time to join us than now. A grand opportunity to start fresh by joining together with other believers in worship.

Hebrews 10:25 "And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near."

The choir practices from 3pm-5pm Sunday's March 9th, 16th, and 23rd. The only prerequisite to be a part of the choir is a heart to worship God. Connect with Cathy or me, or better yet, come to rehearsal and we'll have a seat ready for you.

Also, if you have a desire to be part of the audio/visual team we could use some Wednesday evening volunteers. Connect your gifts and talents with others and join us with a fresh start in the spring of 2025.

Love God, Love People, and Serve the World.
Joe and Cathy Vigneaux

"We give thanks to God always for you all, making mention of you in our prayers." 1 Thessalonians 1:2

Dear Church family,

I am sure that most of you have heard about my most recent medical situation that required a few days in Brookwood Hospital. I want to thank you all for your prayers, texts, and calls, and for the gift basket delivered by Bro. Zane and Bruce.

I am looking forward to better days ahead. We are still waiting on details on the Israel Mission Trip.

I also want to remind you that there is a new Bible Study online each Wednesday. You can watch any of the studies any time, so I hope that you are taking advantage of them during your busy week.

God bless you all and continue to keep us in your prayers.

Bro. Kenny

Hello Church Family!

In March the kids will start Unit 7 of The Gospel Project - God is Powerful. Throughout this unit, the kids will see why God can be trusted. Moses commissioned Joshua to be the Israelites' new leader. Joshua courageously brought the Israelites into the Promised Land, trusting that God would be with them.

God aided the Israelites in their conquest by demonstrating His power and holiness amid sin. God confirmed that He alone is worthy of their trust and devotion.

- Week 1-Crossing the Jordan River-Joshua 1:3-4
- Week 2-Conquering Jericho-Joshua 2- 4; 6
- Week 3-Achan's Sin and the Defeat of Ai - Joshua 7-8
- Week 4-Taking the Land-Joshua 10-11
- Week 5-Joshua's Farewell-Joshua 23-24

Thanks to all who supported our fundraiser dinner for CentriKid. Your investment in our children could make an eternal difference.

God Bless Each of You,
Crystal
