EXCERPTED NOTE:

(from a Soup to Doorstep recipient's granddaughter): "My grandma told me today that this morning she got soup and buns delivered by your program, and she told me this with a tear in her eye. I see her as much as I can, but to have another organization taking care of my grandma means the absolute world to me. I can't tell you how proud it makes me of this town, of the kind people in your church community. Both my grandma and I are so thankful."
