Priests did two basic things. They offered:

1. The S\_\_\_\_\_
2. The S\_\_\_\_\_

### Qualification to be a Priest:

1. Be very careful how you deal with the d\_\_\_\_\_ or s\_\_\_\_\_! (21:1-6; Romans 8:6-8)

(v. 7) - **Q. What is God instructing the priests in?**

**Q. Why does God restrict whom priests can marry?**

**Q. What can we learn about God's perception of marriage from these priestly instructions?**

2. Be very careful of your f\_\_\_\_\_ and m\_\_\_\_\_ connections (21:7-9)

(v. 10-12) - **Q. Who and what do these verses deal with?**

**Q. Why is hair such a big concern?**

3. Be very careful what you allow on (or to) your **b**\_\_\_\_\_! (21:10-15)

4. Be very careful of the **b**\_\_\_\_\_ in your life! (21:16-24)

***Q. What defects do you think God is referring to?***

***Q. What is the significance of God's detail on physical defects among priests?***

***Q. How do these verses help us understand more of God's holiness?***

Why does God require priests to be without blemish?

1. The **s**\_\_\_\_\_ people brought to God had to be without issue!

2. The priests **r**\_\_\_\_\_ Jesus, who had no defect!  
(2 Corinthians 12:9b-10)

(22:1-6) - ***Q. How do these verses challenge our views on physical and moral integrity?***

***Q. How can we maintain purity and holiness in our lives within the church now?***

*To 'abstain or separate themselves from the holy things of the people of Israel'*

***Q. What does that statement mean?***

(Hebrews 4:13)
