# FBC News May 2025

Greetings FBC Guin,

As always, it is my prayer that this newsletter finds you and yours doing well and enjoying the blessings of the Lord!

I want each of you to know that I am thankful for you and proud to serve alongside you as we do what God has called us to do. Please know that I am praying for those of you who find yourselves in a difficult season of life, whether it be spiritual, physical, financial, or even a little bit of it all. Please know that no one fights battles alone. First and foremost, as a child of God, you have Him on your side, and then you have a family of believers fighting alongside you as well.

Lately, I have been thinking about new life. Like many of you, I have mowed the grass a few times and enjoyed, to the fullest extent, the pollen and all the beautiful colors of spring. I have thought a lot about seniors graduating and starting a new season of life. I've thought about how quickly kids mature, especially my own. As I reflect on the physical growth and maturity that occurs, I am reminded that our spiritual growth should look very similar. We should constantly grow deeper in Jesus as we study His Word and have daily conversations with Him through prayer. We should bear the fruit of the Spirit (Gal. 5), and as we do, others will notice spiritual growth in our lives. As the flowers bloom and the grass grows, may we grow in Jesus and share the beautiful hope of Christ with a dying world!

Please be in prayer for Brooks, Cannon, and Lydia. I plan to have a special prayer and commissioning service for them on May 11th, if their schedules allow. Also, pray for our students who will be heading out to serve in Huntsville this summer with YMLINK on Missions. Be in prayer for the seniors who will soon leave behind the familiar for the unfamiliar. Pray that they will have a clear vision and path to follow. Most importantly, pray that they will mature into the believers the Lord desires them to be and accomplish the purposes He has given them.

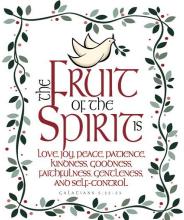

Finally, pray for our church family. Several of our members are going through difficult situations, so please reach out to them, take a meal, send a card, or make a call if you have a chance.

I love you all.

Blessings in Christ Jesus. Zane Miles

The Hope of Spring...

Romans 15:13 "May the God of all hope fill you with joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit."

Spring is in full swing, temperatures are rising, grass is growing, and new life is taking place all around us. Jesus Christ rose from the grave to give us new life and set the example of what could be achieved by loving those around us.

As we journey into this new season, FBC Guin music and A/V teams are looking to grow into this representation of love and community. We invite you to come join us as we begin a new study "Living a Life of True Worship" by Kay Arthur.

Let us know if you need more information.

# Dear Church Family,

Thank you all for your prayers, calls, gifts, cards, and love. This has been a long two months for us as I have battled various health issues. But through it all, I have discovered the peace and comfort of my Heavenly Father as never before. I know that I could not have made it without His love and care.

Please continue to pray for Phyllis and me as I continue to heal. I look forward to being back with you soon.

Bro. Kenny

Hello Church Family!

The kids will be starting Unit 9 of The Gospel Project - God Sees and Hears. Regardless of sin patterns and disobedience. God continued to see His people and hear their requests and desires. God's provision is seen through His gifts of a kinsman redeemer for Ruth's family, a son with a prophetic calling for Hannah, and freedom and protection for the Israelites from the Philistines. God's plan remained steadfast, despite humanity's brokenness. What an encouragement for us as believers! The chaos and sinfulness we see all around us cannot and will not thwart God's plan.

> Week 1 - The Story of Ruth - Ruth Week 2 - Samuel was Born and Called -1 Samuel 1-3 Week 3 - The Ark was Captured -1 Samuel 4-6 Week 4 - Freedom from the Philistines - 1 Samuel 7
