The Burgess Family – Missionary of the Month!

The Mâcon Grace Church is our highlighted missionary for the month of May. They have had some especially encouraging moments lately. In a special service, eight people who expressed their desire to serve in the Church and become members all spoke about how God broke into their lives and brought them to faith in Christ. Their backgrounds were varied – an orphan, a former atheist, a former satanist, some who grew up in Christian families... Many spoke of their life's struggles, many cried. All gave witness to God's faithfulness in their lives after placing their trust in him. Please drop by the bulletin board to read more about the Burgess family ... *and grab a donut while you're there!*

Starting Point Lunch

If you are interested in learning more about Grace, but unsure about your next steps, join us for a Starting Point lunch today to learn a little bit about our church and about how we plan to help you connect to Jesus as a new or growing disciple. Lunch will be served following the service.

Life Group Leadership Training

As a part of our revitalization process, Grace Community Church is wanting to revamp and revitalize our life groups (small groups). We will host a five-week group leader training starting in June, and we would like to identify anyone who is interested--or even curious--about going through this training. Please contact Barry Wideman (937.823.3075) or put a note on your Connection Card if you are interested in learning more about the group leader training.

Event Requests

Just a reminder that you can submit a request through the Breeze form. The Church Event Request Form has been updated to include recurring events. (hhgcc.org/ChurchEventRequests) or (hhgcc.org/PersonalEventRequests)
