MINISTRY CONCERNS — Church family, leadership team, our community

PLEASE PRAY FOR OUR WRCC FAMILY AND FRIENDS

- Sue Wells first test results have come back with pre-cancer cells but not cancer. She'd like continued prayers and is having an additional procedure on July 16th.
- Noah Earley (Jennifer Earley's husband) had surgery for a ruptured biceps tendon and other upper arm injuries on Wednesday and it went well. He is starting the recovery process and prayers for healing.
- Mark Dresden (brother of Lee Dresden) He's having cataract surgery on his right eye Tuesday and then on his other eye 2 weeks later. He has other significant vision issues so prayers that this goes well and gives him improved vision.
- Keith Dresden (brother of Lee Dresden) He received a good report with no new growth in his mass on his neck. Lee would like prayers for things to continue to stay stable and for his future treatments.
- Lena Belich starts radiation treatments likely later May for her benign tumor in her brain. Prayers for the treatments to be effective as well as for Lena and Gary during the process.
- Mike Wells (uncle of Darren Wells) praise that he's off the ventilator and now doing better breathing. The cause is still unknown and he is still in the hospital.
