Say Yes! to Camp Huron!

Dear Friends,

Camp Huron is proud to be part of the 2025 Say Yes! to Kids campaign—a national fundraising initiative of the Anglican Foundation of Canada.

This year's campaign theme is Evergreen—a celebration of God's ever-growing love. With your support, we'll offer bursaries to campers in financial need, and plant a grove of native trees as part of the global Communion Forest movement.

🌲 Together, we'll worship, play, and grow beneath the trees—and plant for the future.

🌱 Every gift will be matched up to \$10,000 thanks to the Anglican Church Women (ACW) of Huron!

Thank you for saying YES to kids—and to a future rooted in love and care for creation.
