

PRAYER FOR BLESSING A NEW BABY

(Recognition) In the Beauty and Perfection of God there is a profound Joy, bubbling up as Life Itself. It is present in every being, in all that has every been and all that ever will be, as it is the nature of the Divine. Expressing in and through and as all things, the Perfection of God is all there is.

(Unification) I am a walking, talking manifestation of that Divine Perfection, as I am an expression of the One God. Joy and Beauty are my Truth, as I am made in complete Wholeness. Knowing this Truth for myself, I recognize it to be the Truth of all beings everywhere. Most especially, I see it as the Truth of this Beloved New Baby.

(Realization) And so I speak my Word of blessing for this precious new life, affirming that (s)he is made in the likeness and image of absolute Perfection. Beauty and Wholeness is her Truth. Joy flows forth from within her and blesses all in her presence. She is Wholeness in mind, body and spirit, more than enough exactly as she is. The Love of God surrounds her. The Grace of God protects her. The Givingness of God supplies all she ever will need.

(Thanksgiving) My heart sings in joy and gratitude for the blessings of this little one, Whole, Joy-filled and Perfect right here and right now.

(Release) I release this Word into the Universal Law of Truth, confident that it is done as I have spoken. And so it is.
