

PRAYER FOR THE PERFECT JOB

(Recognition) Such a gift it is to turn within and remember the truth, which simply is the One Perfect Power and Presence that is the Divine. This one Perfect Presence has made Itself known through every man, every woman, every child, every situation and every circumstance; beautifully and powerfully unfolding for the highest and best of all life. It is Abundance and Prosperity pouring forth. It is competence and confidence, Intelligence and productivity. It is Creativity in its truest sense, continually bringing Itself into manifest form as all that is. It is Ease and Grace, Flow and Joy, Guidance and Goodness.

(Unification) And what I know is this: That is what I am. I am made of that perfect God-stuff. Everything that I am, everything that I do, everything that I say, everything that I think flows from that core of Divine Truth. I am productivity and competence. I am Divine Wisdom and Intelligence in every area of my life. I am Abundance and Prosperity pouring forth, guided in Ease and Grace. I am the place where God shows up.

(Realization) And so I speak my Word for my life, recognizing that this profound Divine Truth shows up for me as the perfect job for me right here, right now. The competence, confidence and Divine Wisdom that I am show up as powerful interviews, where my magnificence shines clearly, allowing all to see me in my highest light and showing the Truth of who I am at my very best. The Prosperity and Abundance that I am calls forth a job that pays more than enough to meet my needs. I am Divinely guided to a job that fits my personal skills beautifully; a job that deeply satisfies me by powerfully inspiring my passion, my creativity and my dedication. And I recognize that every step of the way is easy and grace-filled and good. What I know is that which I seek is seeking me, because that's how the Universe works. My new employer has asked for everything that I am, and I am a gift to my new company.

(Thanksgiving) I am so thankful to know beyond a shadow of a doubt that this Word I speak is true, and that I speak it with the spiritual authority of God Itself because that's the truth of who I am – an emanation of powerful Divine Goodness.

(Release) And so I release this Word, knowing that it is acted upon powerfully by the Law, showing up in manifest form in ways that amaze and delight me. It is good. It is very good. And so it is.
