

## PRAYER TO SELL A HOUSE

---

(Recognition) God, the Divine, Perfect Beloved One is all that there is. Whole, perfect and complete in Its essence, It contains all that ever has been and ever will be. It is everything fitting into exactly the right spaces through Divine Guidance, Ease and Flow. This One Perfect Energy made every single thing that there is out of Itself, so that everything fits the Divine Patterning of absolute Grace. It is Abundance and Prosperity. It is Harmony and Divine Timing. It is everything Good, right here and right now.

(Unification) And what I know about my life is that that is the Truth of who I am. That I am Divine Perfection making Itself known in manifest form as this version of God, this emanation of Divine Goodness, made in Its likeness and image. I am imbued with everything that my Creator is, at the very center of my being. That same Abundance, that same Divine Timing, that Ease and Grace and Flow is the Truth of who I am. And as I know this to be my Truth, I know it also to be the Truth of every person selling a house, every Realtor, every Loan Officer, every single person at every step of the home selling path. Each is guided and led by the Indwelling One.

(Realization) And so this is the word I speak today. The right person to buy my house is seeking it right now. The entire Universe is conspiring to bring together the perfect individuals to sell a home and to buy a home, so that everyone gets exactly what they need for their highest benefit. And all along, every step of the way is falling into place. Loans are being secured easily and effortlessly. Inspections are being passes. Little glitches are cleaned up with Ease and Harmony. This house sells right now, closes on time and everything is perfect!

(Thanksgiving) I'm thankful to know this Truth for everybody involved in this process! I'm grateful for my sold house, and I'm grateful for the new buyer's successful home purchase, right here and right now! It is so Good!

(Release) And knowing it is already done, I release this Word into Universal Law and impress my belief into that Creative Medium. I let it go and celebrate! And so it is.
