History Spotlight—Bonnie Sitter

Last week's bulletin told about the great missionary work that is being done here at Wheeler Rd. It brought back a memory of the 80's of when people from all over the state met here several times to talk about mission work and what was being done by the churches in Michigan...Michigan Mission Forum. Men gathered in the auditorium and the women were in the fellowship hall. (I think now that we would all meet together in the auditorium!) It was a great day. The women had wonderful speakers—generally an inspirational topic.

Another memory was the women's retreat. We spent a weekend at different places—a hotel—a boy scout camp—and at the Ireland's cottage at Lake Isabella. What fun—So I'm thinking, let's get a women's Retreat Committee going and get this memory turned into a reality for 2026!
