## **Things for the journey...**

### **1. Remember God's Salvation (9:1-14)**

- The Passover reminded them of God's past salvation by the blood of a lamb
- Which reassured them of their future salvation in the land
- To reject participation in Passover, was to reject participation in God's saved people

→ Remember God's salvation through Jesus, to reassure us

### **2. Obey God's Commands (9:15-23)**

- through the cloud and worked with the Ark to guide (10:33-34)
- about when to set out and when to camp
- which is repeated for emphasis!

→ Obey God's commands through Bible, to guide us

### **3. Call on God to Act (10:1-10)**

- trumpets called people to gather or set out
- trumpets also called on God to remember i.e. to act
- with help, like rescuing or showing favour

→ Call on God to act through prayer, to help us

***May we do these things on our journey!***
