Oct 5 | Exodus 16:1-18

Read Exodus 16:1-18, and then spend time reflecting on the following questions:

Reflect: The people grumbled and requested to return to slavery because it was easier than the path God had planned for them.

When have you turned back because it offered temporary comfort, like food, rather than the restoration and purpose that God offers?

Yet, we also discover that God listens and cares for us when we prayerfully ask. What is a space in your life that from which you have

excluded God? How might you welcome God's presence?
