The Victory is the Lord's

Numbers 9-10, 1 Corinthians 15:50-58

Looking back and looking forward...

1) Looking back to the Lord's deliverance from sin (9:1-14)

- Remembering their deliverance from Egypt
- Grace for the unclean, traveller and outsider

2) Looking up at the Lord's presence (9:15-10:28)

- God's ongoing direction in the cloud
- A rallying call in the sound of the trumpets
- United in readiness for battle

3) Looking forward to God's defeat of His foes (10:29-36)

- Anticipating God's promise of good things in the land
- Longing for God's defeat of His enemies and His return to His people

**Our Lord Jesus has delivered us from penalty of sin,
and leads us through His word by the Spirit
so let us press on to our final victory over death!**
