B12	WILKINSON	William	M.			9/25/1840	8/14/1902	1902	MV	I	Spouse: Eliza (Elizabeth) Marston Power Wilkinson Military: James City Artillery, CSA. Civil War Other: The Wilkinson Family Chart is located in the Mount Vernon UMC Church Archives, Book 2, B2-26S . There is some question about William Wilkinson’s middle name or initial? The wedding July 1907 announcement for the wedding of his daughter, Nora Bannister, listed her as the daughter of the late W. M. Wilkinson of Toano. The settlement of the estate of Eliza’s mother’s estate in May 29th, 1901 listed Eliza’s husband as “W. W.” Wilkinson. In the Laurel Spring Archeological and History Report in 2002 Eliza Wilkinson’s husband was listed a “W. A.” Wilkinson. Since there were other errors in that document, “W. A.” is believed to be incorrect. "M" is shown on the Wilkinson Family Chart.
