CHURCH

Greetings FBC Guin Family,

I am praying that you are enjoying the richness of God's love and mercy, no matter where you are in life.

I know many are currently walking through struggles and hurts that life throws our way. Please know that I am here if you need me, but more importantly, know that God will provide if you lean on Him.

Nature - the phenomena of the physical world collectively, including plants, animals, the landscape, and other features and products of the earth, as opposed to humans or human creations - is God's creation. It is a beautiful sight to behold. From northwest Alabama to Livingston, Montana, it's simply amazing to see God's hand at work in the outdoors! I encourage you to go sit outside and enjoy the sunshine and the sounds of God's amazing creation. Take some time to be still and quiet, and know that God is good.

Speaking of the outdoors and enjoying time outside, we will have an outdoor service on Sunday morning, October 12th at the "Mission Field" (grassy area across from the church). We WILL NOT have Sunday school that morning, as the service will begin at 10:30 AM. Following the service, we will have hamburgers, hot dogs, chips, and drinks! I'm excited about this service - a flashback to the days before fancy lights, huge buildings, electricity, and all the luxuries we enjoy today. It will truly be a time focused on love for the Lord and His Word! Please make plans to join us. We can't wait to see you there!

October is a month filled with excitement - baseball playoffs (I know everyone watches every game), big time rivalry football games, homecoming, bow season, and hopefully, some cooler air rolling in. Find any reason you can to step outside this month and breathe. Take in the goodness and beauty of God. The God who loves us enough to provide atonement for our sins; who loves us enough to make us strong even in our weaknesses; and who loves us unconditionally - no matter how good or awful we are.

Church, I love you! I love serving Jesus alongside you! May we all seek to share the Gospel with those within our reach, and may we love God and people more!

Blessings in Christ Jesus,

Zane Miles

As the air turns crisp and the vibrant hues of autumn paint the world around us with an abundance of fall foliage, we can't help but marvel at the majesty of God's creation. The fall season offers beautiful transformation, both in our daily routines and in nature, which serves as a poignant reminder of the cycles of life and the faithfulness of our Creator. While you enter this time of transition, you might find yourself reflecting on His goodness through the coming months. Biblically, autumn is closely associated with harvesting crops that He has blessed upon the earth. That's where the phrase "reap what you sow" comes in. In spiritual terms, we reap the benefits of our faithful labor of prayer, humility, and love.

In this upcoming season, whether you're seeking guidance, encouragement, a deeper connection with God, or a place to serve in the church, remember those who faithfully obey the Word of God shall be blessed.

*Deuteronomy 11:13-15: "So if you faithfully obey the commands I am giving you today—to love the Lord your God and to serve him with all your heart and with all your soul— then I will send rain on your land in its season, both autumn and spring rains, so that you may gather in your grain, new wine and olive oil. I will provide grass in the fields for your cattle, and you will eat and be satisfied."*

The FBC Guin Choir will begin preparing new music for the upcoming holiday season, starting October 12th. If you are looking for a place to serve and share, we would love for you to join us. Hope to see you there.

Love God. Love People. Serve the World.  
Joe and Cathy Vigneaux

Dear FBC Guin Family,

We've made it to October! Football, volleyball, band, and cheer are in full swing. Homecoming, Halloween, and cold weather are right around the corner! It's a busy time of year for our students; join me in praying that they will stay connected to and prioritize their relationships with God!

The sermon series from August has been ringing in my mind. Be COMMITTED to Jesus, to each other, to our church, to our community, and to discipleship! Please commit to praying for and loving on our students!

**Important Dates:**

**Fields of Faith:** October 1st at MCHS football field

**DNOW:** November 21-23

**Breakfast Blitz:** Every Friday morning! Let me know if you'd like to serve!

With Love,  
Nate Kemble

Dear Church family,

*Trust in the LORD with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths. Proverbs 3:5-6*

My prayer is that even in uncertain times, you will completely trust in our Lord and not try to understand it all. We can be certain of this: *And we know that all things work together for good to them that love God, to them who are the called according to his purpose. Romans 8:28*

We do not have to be able to explain it completely, but that promise is for you, child of God.

I want to say "Thank you" to all who have joined us in house for the Wednesday night Bible Study. It has been my pleasure to fill in for Bro. Zane during this busy season for him. Also, the online study, "Jesus said, I will Build My Church" is available for you at any time. Thank you to all who have taken advantage of this resource.

Most of you know that Phyllis finished her radiation treatments, and she is now gaining her strength back. We both thank you for your prayers. 2025 has been a difficult year for both of us, and we do not know what we would have done without the tremendous church family we are blessed to be part of.

Watch and Pray,  
Bro. Kenny

Hello Church Family!

The kids will be starting Unit 14 of The Gospel Project-The Northern Kingdom. Although the Northern Kingdom continued to worship idols, God provided prophets to warn His people-and even foreign nations-to turn away from their sin. While Nineveh repented and spared God's judgement, the nation of Israel refused to worship God alone. As a result, God judged Israel's idolatrous sin by allowing the nation of Assyria to destroy the Northern Kingdom.

Wednesday night kid's classes have had a few changes that I am so excited about. We are now implementing The Gospel Project midweek lessons which are centered around spiritual disciplines-repeated actions we do to help us grow in love for God and godliness. This month we will be studying about repentance and how it affects our walk with God. Please join me in praying for our teachers/helpers as they minister to the kids that attend on Wednesdays. We are blessed with lots of children from our community attending each week. However, a lot of these kids do not have parents that attend a church or even know Jesus personally. So, it's up to all of US to show them the love of Jesus. I know they can be rowdy and rambunctious at times and you probably don't get to enjoy a quiet meal, but what an awesome privilege to be able to teach them about Jesus.

Week 1-Elisha the Prophet-2 Kings 2; 4-5  
Week 2-Jonah, a Prophet to Nineveh-Jonah  
Week 3-Hosea, Prophet to Israel-Hosea  
Week 4-The Northern Kingdom was Destroyed-2 Kings 17

**Upcoming Events:**

**October 18th** - Fall Children's Mission Festival at World Song for grades 1-6. We will be learning about missionaries in Brazil. Please see me to sign up.

**October 28th** - Community Trunk or Treat - Candy donations are greatly needed and appreciated.

God Bless Each of You,  
Crystal
